Funded in the Memory of Mary Hediger
In 2020, the Mosaics Fine Art Festival lost a dear friend and colleague, Mary Hediger, who managed public relations & marketing for the Festival for many years. Mary’s company, Big Bang Marketing Consultants, focused on promoting various nonprofit organizations throughout the St. Louis metro area.
Mary will always be remembered with great affection and admiration. The Mary Hediger Memorial Art Shop for Kids was dedicated in 2021 to honor Mary and her contributions to the Festival and her community.

Achieving Recovery, Resilience & Responsibility Through Creativity (ARTC)
provides creative opportunities to young and old experiencing a broad range of risks - including substance use disorders, and those struggling with persistent mental illness - to use their talents as impactful tools for personal growth and recovery.

STL ArtWorks (SLAW) provides meaningful work experience for underserved teens in the St. Louis area, through apprenticeships in the arts. It’s a year-round job training program using art to teach essential life skills focused on personal health, fiscal literacy, and environmental stewardship.
