2024 Festival Judge

Adam Long creates dynamic figure sculptures that resonate with the connection between humanity and the natural world. Sculpting since childhood, his work retains that early wonder of environmental exploration.

His signature Forest Figures are created from preserved natural objects and reclaimed materials. Educated in St. Louis, Adam has also been teaching for over 20 years in all levels of art education and in the community. He has numerous show honors, and is featured in galleries across the country, where his work is avidly collected. Visit his new pieces here at home in St. Charles at **Missouri Artists on Main!**

The 29th Annual Mosaics Fine Art Festival is brought to you **free of charge**, due to the generosity of businesses, and the cultural leaders of our state & local communities. On behalf of everyone at Mosaics, we wish to thank our contributors & volunteers!

In this art gallery, only youth curators ages 4–14 are admitted! Each may purchase one piece of fine art generously donated by the Mosaics Festival Artists. Our young collectors are encouraged to go find the Artist and learn more. Proceeds benefit our Founder’s Scholarship.

The Joyce Rosen Founder’s Scholarship tent honors High School students, whose artwork is selected by their art teachers and given a chance to win scholarship prizes. Mosaics recognizes Emerging Artists for their creativity, art teachers for their dedication, and those schools committed to furthering the importance of the arts in our society.
